Assess. of the Zealandia and it seems as if the Francisco. wh frensure abourd the Hongkong for son from Hilo on the Sth. be frequire amounts to \$427,982, and hither made a long voyage from here to Pain Plantation Co. bly get away for the Orient at daybreak lulu.

#### Steamer Sierra Delayed.

Word has been received that the Ocempany's new steamer Sierra, able sailed from Philadelphia on Octobad weather in the straits of Dimond and the Roderick Dhu for Hilo. Oahu Railway & Land Co. 6 p.c. .....101 November 21, her sailing has been postpaned until December 12, the Mariposa going out on November 21.

### Steering West End.

landia Purser Tommie McCombe says It is up to Tommie to explain how that of the old style vessels and greatly ce- \$30. teamer was steering or else there will sembles the old Dominion, the to be an investigation when the steamer, which was probably the Doric, from Kaunakakai early yesterday morn- Oahu, \$175; 5 Oahu, \$175; 10 Oahu next touches this port. It is more than ing. She reports that there has been a \$175; 10 Waialua, \$125 likely that Captain Harry Smith of the thing to say when he hears that he has when she arrived in the habor there were been cavorting about the ocean in a several of the houses formerly located

### A Green Reporter.

the pilot house and saw the signal that Had the reporter not been color blind of the cargo she went after and had to be would have distinguished between 'he come back here empty. different colored lights shown and then be would have been in a great quandry. The San Francisco papers announced says the morning contemporary, that in case of the election of Bryan green are was to be burned, and for the success of McKinley red fire would splutter from the tops of the newspaper offices. The lights burned by the Zealandia were green, white and red. Had the reporter seen the first and last lights of the signal instead of only the first, he might have sprend the big news of the election of both McKinley and Bryan.

#### A Summer Squash.

Genial Purser Keys of the Nippon hau. Maru tells a good story on the freight clerk of the steamer, who is also one of the favorites among the officers and passengers on the vessel, and whose name is Kidder. While in Yokohama some of the officers of the Nippon, among whom was Kidder, attended a show given by a phrenologist. There were many people present among the white population and the phrenologist, wanting to make a hit, explained that he would like to have some well known man among the audience p. m. step up on the platform so his humps could be read. He asked for a well 5 p. m. known man, as the subject of his test T. K. K. Nippon Maru for San Francisch his characteristics would be familiar cisco at 10 a. m. to the andience and be able to prove that T. K. K. Hougkong Maru for the Orihe was not bloffing them in his reading ent at 6 a. m.

THE two Marus, each ahead of 1 of the bumps. He proposed to be blindfolded during the test. Calls were made from different parts of the house for men familiarly known to the audience, but the mates of Kidder were loudest in their der's pate which, on account of early piety, is as smooth as a plate. The perthere had been a job put up on him, plurted out: "You can't fool me with a ast week and failed."

ence, in which Kidder joined. When the cisco, carrying mail, is due about the 8th Then there was a howl from the audiand 23d of each month. andage was removed from the professor's eves he was profuse in his apologies to Kidder and up to the time the steamer left the professor was still treating
